Bay Renews

E. Contract

The General Electric Contract with the City of Bay St. Louis was renewed on Monday at a meeting of the Mayor and Commissioners, according to an announcement made by Mayor Warren J. Carver. Harry Steinriede, president of the IAP/CAP program, Steinriede replaced Robert Reighner who is now departing from an illness. Reighner's superior officers have expressed the feeling that Steinriede will be for his interest when he is able to resume his duties with the company.

Robert Hughes, administrator of the IAP/CAP Program in Waveland acted as interim administrator in Bay St. Louis until Lillian M. Goss, Jr., Manager of the Mississippi Development Programs, was able to work out details of the contract with city officials. It was said. Steinriede will operate from office located in the old Webb Center known as the location of the Operations Uptown Program for the city.

Voting in favor of renewal of the General Electric contract were Commissioner Arconowicz and Mayor Carver. Commissioner Frisbie voted against the renewal.

MEETING

All hunters and fishermen are invited to attend a Game Management Meeting Tuesday, February 9 at 7 p.m. at Bay St. Louis Youth Center, 1100 N. Avenue. Members of the meeting, sponsored by the Gulfview Hunt Club, will be Donald Caldwell.

Bay St. Louis City Hall has returned to its regular office hours: 8-12, 1-4 Monday through Friday. Offices will be closed on Saturday and Sunday.

School Violates

Code Specifications

Although several violations of code specification in electrical wiring were found in the St. Clare Catholic school located on South Beach Boulevard in Waveland, Bob Britton, director of the Governor's Emergency Council, in an interview last Thursday night said: "There is no immediate danger."

Britton was consulted by a reporter for the Echo after it was learned that the school's electrical manager had called for an inspection of a fire alarm signal line that was not operating.

Tom Lyndon, who holds a degree in electrical engineering, was sent to the school by G.E.C. electrical engineer, Charles Evans, it was said. Lyndon reported in his inspection to find over 30 violations of the electrical code, some felt to be dangerous.

Sister Ruth, principal of the school, was said by the reporter if she had been made aware of the faculty wiring, she stated she had not been so informed, however, she followed through with an inquiry. A meeting is now scheduled for school officials together with contractors. Date of the meeting was not immediately learned.

Construction of the St. Clare school was started before code adoption, according to Britton. Waveland is now under the G.E.C. code protection. Architect for the building is J. Buchanan Bilch and Associates. The contract was said to be let to the New Orleans firm of Boh Construction Company. Reportedly there has been no final inspection on the building.

Charles Carter, also connected with the GEC, was instrumental in detection of the potential electrical hazard. Some corrective measures were immediately taken, it was said.

Cause of the fire is undetermined but Bay St. Louis Fire Chief Edgar Ladner estimated the damage at about \$6,000. The Pass Christian, Waveland and East Hancock Volunteer Fire Departments assisted the Bay Fire Department in controlling the blaze. The alarm was sounded at 4:40 and the fire was under control by 5:15 p.m. (Echo Staff Photo by Eddie Engelhorn)

Planning Commission Sends Resolution To Supervisors

At a recent meeting the Hancock County Planning Commission unanimously adopted a resolution asking to make uniform the subdivision regulations and specifications for the orderly development of Hancock County. The resolution, signed by Dave Johnson, secretary of the commission, was issued in copies mailed to each member of the Hancock County Board of Supervisors.

The Hancock County Planning Commission, formed by the Board of Supervisors as an advisory group, seeks to stop

the sale of lots in Shore Line Park Unit 6, Addition 4, and Unit 7, addition 8 until such time as a sanitary sewerage system is installed and roads brought to proper standard. Unit 6, addition 4 involves 137.6 acres of land and Unit 7, addition 8 is said to be a 50.04 acre tract. An investigation of the records revealed these tracts of land were dedicated on October 8, 1970 and surveyor's certificate filed also on that date, however date of filing for plat was shown as December 23, 1970.

E. M. Brignac with the Shoreline Park attorney Gerald Cox contend plat permission required from the Board of Supervisors "was for improvement to 'existing' additions and that these lands were a part of a sub-division existing prior to the adoption of subdivision regulations. Members of the Planning Commission outlined their difference of opinion in the resolution which is quoted verbatim:

RESOLUTION OF THE HANCOCK COUNTY PLANNING COMMISSION

WHEREAS, the Hancock County Planning Commission has heretofore adopted its Resolution bringing to the attention of the Board of Supervisors of Hancock County that the development of Shoreline Park did, on December 23, 1970, file for approval Unit 6, Addition 4, and Unit 7, Addition 8, additions to Shoreline Park, in violation of the subdivision regulations of Hancock County, Mississippi, such filing being in total disregard and defiance of lawful ordinances of the Board of Supervisors of Hancock County, Mississippi; and

WHEREAS, it has further been brought to the attention of the Hancock County Planning Commission that the developers of said Shoreline Park refused to meet with the Planning Commission in reference to said sub-divisions; and

WHEREAS, the Hancock County Planning Commission

County Planning Commission in its previous resolution, a copy of which was furnished to each member of the Board of Supervisors, pointed out that the said additions to Shoreline Park were as a matter of law and fact new subdivisions within the meaning of the subdivision regulations of this County and calling the same an addition was nothing more than a name for a new subdivision concealed by the subdividers and is entitled

County Population Increases 23%

Census Bureau reports official 1970 population of Hancock County.

Hancock County's official population in the 1970 census was 17,387, up 23.8 percent from the 1960 figure of 14,039, the Bureau of the Census, U.S. Department of Commerce, reports.

The official population of the State was 2,216,912, up 1.8 percent from the 1960 population of 2,178,141.

The 1970 census counted 14,894 white persons in Hancock County, 85.7 percent of the

total: 2,467 negroes, and 26 persons of other races. In 1960, 83.9 percent of the population was white.

The census showed 1,687 children under 5 years; 4,870 in ages 5 through 17; 9,080 people 18 through 64; and 1,750 who were 65 and older.

The population 14 years and over included 7,851 married people, 1,084 who were widowed, 389 divorced, and 2,952 never married.

Hancock County's 1970 population was classified as 56.7 percent urban, and 43.3 percent rural.

There were 5,152 households, with 17,186 persons, including 839 one-person households. In addition 201 persons were living in group quarters.

The 1970 census counted 7,330 housing units in Hancock County, 3,804 of them occupied by owners, 1,348 occupied by tenants, and 2,178 vacant. These included vacant units for seasonal use. The proportion occupied by owners in 1970 was 51.9 percent, compared with 47.7 percent in 1960.

Among year-round dwelling units there were 6,326 single family houses, 388 housing units in multi-unit buildings, and 351 mobile homes or trailers. The percentage of occupied units with more than one person per room was 14.3, compared with 19.8 in 1960. Of all the occupied housing units, 4,870

Port And Harbor Comm. Urged To Utilize Local Financing

Late Bulletin

By Martileen Maher, Echo Staff Writer.

Two Hancock County Sheriff's Deputies were shot late Wednesday afternoon in a gun battle while trying to capture Virgil Ray Lee, an escaped mental patient according to Sheriff Fred Curet.

Sheriff Curet said that Deputy Robert Tartavouille was shot in the leg and Deputy Everett Exnicious had been wounded in the head. Their condition was not known.

Curet revealed that the Sheriff's Department had received a call from residents in the Bienville Community that Lee allegedly "threatened to kill people".

The two deputies were shot while surrounding a house occupied by Lee. Road blocks were set up in the vicinity of Bienville and after battling Lee for two hours, officers were still unable to capture him.

Fire Destroys 2,100 Acres

A fire which has been estimated to be the largest in Hancock County since 1954 broke out Monday morning around 9:30 a.m. and destroyed approximately 2,100 acres before it was extinguished at 2:30 p.m. Tuesday.

According to an official of the Mississippi Forestry Commission, the fire was deliberately set in eight different

The Hancock County Board of Supervisors and a group representing the Port and Harbor Commission aired their differences of opinion on Monday following an attempt made by the commission members to get a resolution adopted by the board naming the First Mississippi National Bank of Hattiesburg as prime bank in funding an Economic Development Administration grant involving \$3,233,000 to be used in developing port and harbor facilities.

Members of the Board of Supervisors contended they had worked for the past several months with three local banking firms, i.e. Hancock Bank, Merchants Bank, and the Gulf National and these banking firms had worked out satisfactorily the details which would comply with Federal Government requirements. Board members expressed strongly their belief the local banks employ a sizeable number of citizens whose payrolls add to the economy of the county whereas banking business in another area would not be to the advantage of the citizenry. John Seaford, the only member of the Port and Harbor Commission to agree with supervisors point of view said "I have always been of the opinion that the local banks should be given an opportunity to participate to the extent they are financially able and willing."

Speaking persuasively in favor of the First Mississippi National Bank in Hattiesburg commissioners including Charles Hill, Donald Landry, Augustus Elmer and Haskel Doyle expressed the mutual feeling they had already made a commitment to the Hattiesburg bank and to reverse their decision would constitute a needless embarrassment.

Later the group consulted with Leo W. Seal, Jr., president of the Hancock Bank and an agreement was reached resulting in Seal's proposal that local banks invite the Hattiesburg bank to join in the financing.

In an interview with the Hancock Bank President Mr. Seal said "The proposal of local banks which has been concurred by Paul McMullan who is president of the Hattiesburg bank will be presented members of the Board of Supervisors in writing in time for their consideration at the next

board meeting which I understand is called for Monday, February 8. We feel confident all differences of opinion were due to a misunderstanding."

Supervisor Charles Russ III initiated a resolution, seconded by Supervisor Delph Kollar and unanimously adopted by the Board. The resolution appears below in its entirety:

Supervisor Russ moved, seconded by Supervisor Kollar, adoption of the following resolution:

WHEREAS, the Port & Harbor Commission on December 17, 1970 adopted a resolution approving the interim financing proposal of the First Mississippi National Bank under EDA Project 04-1-00779, and

WHEREAS, a certified copy of said resolution was presented to the Hancock County Board of Supervisors and said Board, by Order dated January 23, 1971, took no action on said resolution and returned said resolution to the Hancock County Port & Harbor Commission with the recommendation that the local banks in Hancock County shall be given an opportunity to participate in said proposal as presented by the Port & Harbor Commission; and

WHEREAS, by letter dated January 25, 1971, the President of the First Mississippi National Bank, Paul McMullan, did write a letter to the President of the Hancock County Board of Supervisors wherein he advised that it was the desire of the First Mississippi National Bank to ask the other banks to participate with them in said project; and

WHEREAS, it was the intention of the Board of Supervisors that the local banks be contacted directly by the Port & Harbor Commission and not by the President of the First Mississippi National Bank in Hattiesburg, Mississippi, to participate in said program; and

WHEREAS, the Port & Harbor Commission did present the Board of Supervisors its resolution adopted by the Port & Harbor Commission on December 17, 1970, for adoption and approval; and

WHEREAS, it appearing to the Board of Supervisors that the Hancock Bank has presented to the Port & Harbor Commission its letter of proposal for interim financing for said project upon which no action was taken by the Port & Harbor Commission; and

WHEREAS, it is the opinion and desire of the Board of Supervisors that the Hancock Bank should be given the opportunity to manage said interim financing with depository for same in said Hancock Bank;

NOW, THEREFORE, BE IT RESOLVED that the resolution presented to the Board of Supervisors on the first day of February, 1971 by the Port & Harbor Commission be disapproved and that said Port & Harbor Commission be forwarded a copy of this resolution for further consideration.

Arraignment And Trial Date

Arraignment and trial for Sam Williamson, indicted by the Hancock County Grand Jury for allegedly forging a doctor's name to two narcotics prescriptions, has been set for July 13.

Arraignment had been set for Friday, January 29 but was postponed until the July term.

ONE OF THE LANDMARKS in Bay St. Louis, the L & N Depot on Railroad Avenue, got a face-lifting last week. Exterior painting was almost complete when the picture was taken and the contrast between the old and the new was noticeable.

Local basketball coaches are worried. Coach Roland Ladner of North Central has a team this year — they defeated the state's No. 1 school, Gulfport, but when they make it in the district tournament next week they through for the season. But coming on for next season this year in no good way of cagers as was ever around the Kila — and have been some good ones. With little fanfare, in fact most in secrecy, Ladner had a junior varsity team won 19 games in 19 out — a record few teams in the area can boast of.

Their most recent effort was a rout of Gulfport, St. in the finals of the Hancock Central Junior varsity tournament Saturday at Wayne Cuevas, Donald Ladner and Roger Ladner 18, 12 and 10 points apiece for the young and Ricky Randall of Central was named most valuable player in the boys' division. Harrison Central's junior Rebels squeaked by the Hawks 22-21 to win the division. Karen Ladner Hancock and Debbie King of Central each scored 9 points. Debbie King was also named valuable player.

Clean Waveland Beaches

A campaign to clean-up the beaches in Waveland has been designated as the first public act of the year for the Waveland Civic Association. The clean-up will take place on February 6th. Contact also has been made with the Waveland Chapter of the American Legion asking for organization if some of the members will cooperate in the community campaign to keep the beaches clean. Terrance Feeney, President of the Association, also announced that Russell Elliott, President of the Waveland Chapter of the American Legion, has agreed to loan some of the equipment available to the 6th. Feeney himself will use some of his own equipment and Mayor Garfield Ladner of Waveland will be asked to loan some of the cleaning equipment. Feeney's hope is that enough volunteers will show up so that separate platoons can be organized — one which will cover the area from Coleman Avenue to Nicholson Avenue and a third platoon from Nicholson Avenue to the town limits and a third platoon from Coleman Avenue toward Mont Harbor.

Feeney stressed that neither the campaign nor any single person will be successful unless the actual users of the beaches themselves make an effort to keep the area clean. Anyone to free and welcome to use the beaches. We request that when the feeney are over proper use in the garbage drums are conveniently located along the beach area. If the cooperates, drives the one we are initiating the campaign.

Feeney also announced that the meeting of the officers and the cleaning committee along with the various members of the committee was held at home on Wednesday, February 3.

District 8 Tournaments Start Wednesday

The road to Mississippi's prep school 1970 basketball championships opens next week with district and sub-district tournaments being conducted throughout the state and several Gulf Coast teams stand an excellent chance of going all the way according to many cage enthusiasts.

The schools are divided into four classes, AA, A, BB, and B in that order, according to enrollments. Locally in District 8, Bay High and Hancock North Central are in Class A but St. Stanislaus is now in class AA and will compete with teams like Gulfport, the state's No. 1 team and other Big Eight Conference powers.

Until recently, St. Stanislaus was classified A but a ruling now specifies that, for classification, the enrollment at a school open to boys only or girls only must be enough to reach a classification status.

Under this ruling of course the Hawks have little chance of advancing in class AA. Some Big Eight schools have thousands of students to draw upon while Stanislaus has less than 500. Stanislaus and Bay High are in the Gulf Coast Conference of District 8 but North Central is an independent.

HNC has produced several squads that reached state championship level as has Bay High and St. Stanislaus and this year either one could make it although on recent past performances Pass Christian is the team to beat.

But it's anybody's guess in the girls' division of class A — Pass Christian, Bay High, Hancock North Central, St. Martin — you name it.

At a meeting of District Eight officials of the Mississippi High School Activities Assn. Monday night at Wiggins, Stone High of Wiggins was named host team for Class A and the tournaments, boys and girls, will be conducted in Perkinson Junior High gym north of Gulfport.

Class AA will compete at Harrison (Central of Lyman, Class BB at Forrest County

AHS of Brooklyn and Class B at Beaumont. Class A brackets are:

Boys: Wednesday, 4 p.m., Notre Dame vs East Central of Jackson County; 7:45, Pass Christian vs. St. Martin; 9, Stone vs. Purvis. Thursday, 6:15, Poplarville vs. Bay High; 7, Hancock North Central vs. winner of Notre Dame — East Central; Friday, 6:15 and 9, semi-finals. Saturday, 9, finals.

Star Student, Teacher
At Christ Episcopal

Benton Cain, of Jackson, chairman of the Mississippi Economic Council's Student-Teacher Achievement Recognition Program, announces that Elizabeth Jean Johnson, senior at Coast Episcopal High School in Bay St. Louis, has been selected as the school's Star Student. The selection was based on the student's high scholastic average for the first semester and high score on the American College Test. Mrs. Gertrude P. Stanton was designated the Star Teacher. Each Star Student was asked to designate the qualified Mississippi teacher, regardless of grade taught, who, in the Star Student's opinion, made the greatest contribution to his or her scholastic achievement. St. Clare's Sodality Meets

Sodality of Our Lady of St.
Clare's Parish, Washington, met
last Tuesday afternoon in Cos-
tello Hall with Mrs. Marcelle
Eichhorn, prefect, presiding.

Mrs. A. N. Grass, recently
elected secretary, gave the re-
ports, Mrs. Joseph Damfene,
corresponding secretary, re-
ported on all correspondence

sent out and received during
the month while Mrs. E. N.
Candy, publicity chairman,
presented her report.

Mrs. David Markey was ap-
pointed social chairman for
events given by the Sodality on
the second Wednesday of each
month.

Activities of the sewing
group were told by Mrs. Wil-
liam Fathner, chairman.

Rev. Walter Maloney, pas-
tor, spoke on a week of com-
munion requested by Bishop
Brundini, Natchez-Jackson di-
ocese, for all churches in the
diocese during Lent.

The Sodality is extending an
invitation to all ladies of St.
Henry's Parish to join their
Sodality. Anyone interested in
joining is asked to call Mrs.
Eichhorn at 467-6378.

The closing prayer offered
by Father Maloney was follow-
ed by a social hour.

Sodality activities for Feb-
ruary will include Monthly com-
munion Sunday, February 7 at
9 a.m. Mass.

HIS MAJESTY, King Nereus V, James C. De Blanc shown with gracious Queen Doris V, whose name is traditionally unannounced by the Krewe of Nereids. The Royal couple reigned at the Fifth Annual Bal Masque given in Saint Joseph Memorial Hall of Bay St. Louis on January 30.

A FAREWELL PARTY was given last Thursday night for Mr. and Mrs. James Pratt who are moving to Atlanta. Mr. Pratt is employed by General Electric and the party was given by the Bay St. Louis Jaycees at the home of Mr. and Mrs. Nicholas Haas.

Shower Given Bride-Elect

Miss Beverly Stechmann, bride-elect of Danny G. Hutchison, was honored with a miscellaneous bridal shower last Sunday afternoon hosted by Misses Fe Seuzeneau, Beth Colson, and Sandra Gayaut and Messdames Ray Chinche and Richard Stechmann at the home of Miss Seuzeneau.

A color scheme of pink and white was used in the decorations and gifts were presented from a wishing well.

The honoree and the mothers Mrs. Theo Stechmann and Mrs. Charles Hutchison of Swills, Miss., were each presented a corsage of white carnations.

Miss Stechmann and Mrs. Hutchison will be married Saturday February 6, in Our Lady of the Gulf Catholic Church.

"Opening Nights" Was Theme For Krewe Of Nereids Ball

In fashionable and formal attire, guests of the Krewe of Nereids packed St. Joseph's gymnasium to capacity on Saturday night when the Royal Court of 1971 presented King Nereus V and his most gracious Queen Doris V.

"Opening Nights", theme for the entertainment, marked the enthusiastic applique roasting from spectators. The professional decorator touch converted the space into ball room splendor and elegance. Centering the ceiling was a large, mirror-splurite which reflected dazzling brilliance and grandeur. Costly and fabulously beautiful were the costumes and the vogue were the glamorous evening gowns. Scenes of show business on Broadway were rehearsed in the "Carnival in Rags" as presented by the Royal Court of 1969.

Included on the program were ANNA from "The King and I", QUEEN GUENIVIERE from "Camelot", FANNY from "Funny Girl", ELIZA from "My Fair Lady", NELLIE from "South Pacific" and MARION from "The Music Man".

A glamorous "DOLLY", personified by the Captain of Nereids, figuratively speaking "simply brought down the house". Lovely made of the Court, no leading ladies from Broadway Shows, were a feast for hungry eyes; officers of Nereids, both poised and self possessed, wore beautifully fitted gowns of gold cloth.

Her Royal Majesty, Queen Doris V, unmatched in courtliness, won her Royal Subjects with dignity and a gracefulness befitting a queen. His Royal Majesty, King Nereus V, gay and gallant, enjoyed his regal welcome and the gala evening's entertainment. Seated on a raised platform with a silver triple-mirror background, the royal couple received honored and distinguished guests and at their bidding the Royal Court delighted the audience with a promenade followed by cavorts of the Krewe. In traditional

Mardi Gras manner Mountenants, Officers and the Captain took a bow prior to Call-out and General Dancing of the evening.

"Opening Nights" deserved the praise and appreciation lavishly given. The entire cast, directed by an expert choreographer, and supported by fine orchestration and vocal renditions, set a precedent!

Unforgettable and hilarious the comic and awkward young lady from the skaters' group who seemed to be falling down and getting up everywhere, captivating spectators with her personality and obviously having a "rip" roaring good time in the role of a novice in the chorus.

Dances to His Majesty included Messrs. Lucien M. Gex, Melvin R. Villers, William J. Pover, Jr., Thomas W. Kidd, Haskell L. Doyle and Dr. Henry A. Maggio. Ushers to Her Majesty were Master William C. Bethea and William C. Breland. Trainbearers to Her Majesty were Misses Kelyn A. Kidd and Laurie W. Gex. Committees included General Chairman Mr. Ray Gordon; Court Committee: Mr. Joseph V. Colson, chairman and Messrs. Cornelius Herlthy, Merlin Martel, John Gallagher, Robert Warner,

Frederick Bourgoin, Sr. Reception Committee with chairman, Mr. Lester Haverly included Dr. M. L. Dodson and Messrs. Alvin Bernard, Charles Johnson, James DeBlanc, James Kelly, Harold Torgerson and Colonel A. M. Willardson, vice chairman.

Floor Committee included Chairman Mr. Samuel L. Blanchard and Vice Chairman Messrs. George George, Robert B. Lucas, Robert W. Wyatt, Jr., Harold J. Zimmerman, Joseph U. Griffin, Dixon L. Ashman and David Johnson.

Camellia Entry Wins Ribbon

Mrs. Paul Miller of Hickory Lane in Bay St. Louis was a blue-ribbon winner at the Camellia Show sponsored in Gulfport on Saturday and Sunday by the Men's Camellia Club. Her entry First Queen Regency under the theme classification Long Live the Queen earned first place in arrangements. Mrs. Miller is a member of the Bay-Waveland Garden Club and has merited acclaim in former floral arrangement competitions.

By L.S. (Doc) Elliott

In regards to the weather, there have been three cold fronts come into this section in the last 10 days. Pretty cold at night and in the early morning with fog and a warming trend during the day. Just cold enough to make the speckle trout and warm enough for bass to strike over on the popping.

With us the bass were hitting mostly on the Rebel or Rebel plugs when worked on the surface and retrieved under water. The water in most areas was clear, and with no wind and a mild day that way. Specie trout and bass have been caught over in Bayou Delisle, Bayou Portage, Wolf River, Jordan River and down Assa way. Trolling for both fish has been good.

Hunting has been fair with quail, rabbit, woodcock, and other birds being killed by those having good days. Woodcock are also being killed. Among those killing the above game are Willard Potomson, Dick Mactayor, and con Alton, Cordell Lander, Harry Rogers, Louis Doell and others. Hunting will be out on Feb. 22nd and fishing will take the No. 1 spot with most sportsmen.

Had a card from Gens Louder who is of present in Culbrenth but should be back soon. He is working, catching fish and missing his fishing partners. Sends regards to all.

Was good to see Corley Schindler home after being discharged from the Navy. Said he will be getting back to work and catching fish pretty soon.

Manuel Maurigi was visiting relatives. Manuel is with construction company in Orlando, Fla. He has been doing deep sea fishing at offshore, catching barracuda and other large fish.

J.C. Shubert has been getting some nice green trout with his buddy Tony Piazza. Tony is an old time soft shell crabber. Won't be long now, Tony.

Mr. and Mrs. H.A. (Almsworth) Kidd are now living in New Orleans. Almsworth, after 30 years with the United Fruit Co., is retiring. He and his wife are now in the Philippines. He is one of the kids from Bay St. Louis. Welcome back home!

Mrs. Betty Coates has been learning to catch and clean crabs. Turned over a hamper of crabs on the floor. He landed on the counter until help came. Better luck next time.

Was glad to meet Hank Stienkade and H.J. Hughes. Thier baby, is playing golf. Both are with Operation Uphold Democracy. They will be taking up fishing soon.

Ronnie Fletcher and Dale are enjoying their fishing. Have been catching some species of crabs, lately.

Ace Jones, John Gault, and Connell and yours truly are a real fishing trip last Sunday. They brought home some nice green trout. Dusty down from Louisville, Ky., is back. John was the top sherman. He was catching on popping bugs, believe or not. That bear and sandbag hit the spot with a hungry bunch of fishermen.

Seasons come and go. Won't be long before crab catching, shrimping and frogging will be in order of the day. Soft shelling starts this month and could be best in March and April. Frogging to good in the months. Catching all kinds of fish. Always some kind of fish on the Mississippi Gulf.

Had camping dish is tried and scrubbed eggs. Easy to prepare and like the fish out in the woods. Small catons lightly and mix. Season to taste.

Now and Chaddy Euteranto over Sunday from the Big No time to fish but shall

ANCHER, WE ARE TULLY SORRY

Some readers think that in our commentary last week on the Anchor and the Anchor's crew, we didn't do justice to the Anchor. We know the boy and family go on record here and there. We think it is the No. 1 college quarterback in the country. The point we were trying to make is that it takes time to become accustomed to the way the press hit among other things. Our managers of prize fighters, when they sign up to take a fight, usually have him along picking the right opponents to give him a good fight. He gets used to the pressure of the fight and the trials learned from years of the ring — they don't get up and watch him with big timers right off the bat. It's probably just his head blasted off.

So our opinion still is that without proper training and seasoning, the Anchor's manager's crew will have a hard time in the professional career as the Anchor and his family get him out.

BOSSES TAKE NOTE

Did you hear what football coach George Allen, formerly of the Los Angeles Rams, is reported to have negotiated for his switch to the "Baltimore Colts"? What a lover this guy would have made.

He gets a \$2,000 bonus for signing a contract of \$125,000 a year for seven years. A \$150,000 bonus, \$12,000 more for getting into the conference championship game, \$15,000 more for getting into the Super Bowl. Also the prize money for participating in the Super Bowl. A \$50,000 life insurance policy, a car and chauffeur. Travel expenses for himself and his family in Los Angeles until June when they move to Washington. Hotel expenses in Washington until June. Moving expenses. Six weeks pay in Washington from June 1 to the advertising conference. Complete supervision of the team, answerable only to the president and board of directors. A \$100,000 per year salary for one of the staff for \$500,000 per year of his lifetime.

Don't think he's going anywhere.

POLYPROPYLENE

The Board of Directors of the Fishing Bait Committee met recently in Baton Rouge and agreed on recommendations to build more fishing baits offshore in the Mississippi Sound which we think is a wonderful idea and we thought the plan was to dump old automobile bodies in appropriate spots that wouldn't interfere with navigation.

But what do you think they are dumping on? Artificial seaweed, polypropylene and old automobile tires. Well, for one thing, these baits are going to be used by the same old artificial bait and you would think a fish would do the same with artificial seaweed. And any fish that would do the same with artificial seaweed, you can bet it would do the same with polypropylene. As for tires, plastic. Who wants a fish that looks like an old Volkswagen under the water?

FINALISTS — Jennie Hahn, son of Mr. and Mrs. John C. Hahn of Pass Christian, is accompanied by Anne Johnson, daughter of Rev. and Mrs. Charles Johnson of Christ Episcopal Church, Ray St. Louis, for winning St. Stanislaus' Invitational Tennis Tournament for grammar schools. Others in the trophy were Jim Ammons, Ronald Egan, Bobby Pendergast, Kevin Rappaport, Lisa Plancher, Wendy Rappaport, Kelly Johnson and Kelly Vega. (Photo by Ray Wimmerman, S.C.)

Carey Crusaders Cramming

William Carey Crusaders are taking the week off for a week of rest and relaxation. After winning two close games last week, Coach John O'Leary needs a week of recuperation.

The Crusaders beat St. Charles State University by three points in an overtime period. O'Leary has been out since last week. But some time during the week Carey overcame the odds and Carey outscored the Crusaders in the overtime period.

College was the next Carey victim. Trailing by at least 14 points throughout, Carey rallied in the final three minutes to down Millersville 16 to 14. Again it was O'Leary doing some clutch coaching but this time he had help from substitute Lowell Brown. Brown, who was in for the injured Rick Ferrell, hit three buckets in a row to put Carey in the lead.

Harrison Central Wins GCC Tourney

The annual Gulf Coast Conference basketball tournament was held last weekend at the Harrison Central gymnasium. Harrison Central won the championship trophy after a hard-fought game against Long Beach.

Tommy McIlwain, Long Beach coach, was named boys' coach of the year in the Gulf Coast Conference.

Named to the All-Conference team were: Bob Hagan, 6-foot senior from St. Stanislaus; Willie Thomas, 6-foot sophomore from Ray High; David Whitaker, 5-foot 11-inch senior at St. Charles; Paul Lee, 6-foot senior from Harrison Central; and Doug Russell, 6-foot 3-inch senior from Harrison Central.

Pete Straight, 6-2 senior and Richard Thurman, 5-9 senior from Ocean Springs.

In the finals Harrison Central and Long Beach each scored 24 field goals and there was a tie in the best team. But there was no doubt who was the best shooter — Paul Lee of Harrison Central. He sank 12 from the field and 9 from the charity line for a whopping 33-point total.

The young man also demonstrated to crowd operators under pressure when he sank two foul shots with two seconds remaining in the game.

Quarter scores:
H.C. 13 14 20 15 — 62
L.B. 11 19 19 13 — 62

In a scoring round robin Thursday, St. Stanislaus proved their record with over 100 points per game. Ray High was the city championly although a fourth-quarter Tiger rally almost reversed the decision. But the Ray High kids were plagued by fouls and the Rebels hooped 10 of 17 free throws for a 59 per cent average while scoring 69 per cent from the field.

Officers Named

Ed Frith, fire chief of the East Bay Volunteer Fire Department, has announced the following appointments: H.J. Marsh Jr., Captain; James Director, P.G. Deputy; Lou Edmondson and Traffic Control Director; Louis Lofgren, Captain District 1; Charles John Captain District 2; Joseph Hill, Captain District 3; Alvin Lofgren, Captain District 4.

Other officers will be appointed at a later date.

Frith also announced that members were needed in the English, Spanish, Harbor Station and Lighthouse areas.

Tigeretts Second In GCC Tourney

Ray High's Tigeretts didn't win the Gulf Coast Conference basketball tournament this year but at least they were second.

First is they may have been last but for the Rebels. In the finals Saturday night at Harrison Central, Ray High's Rebels, 62-62, the Rebels were charged with 24 personal fouls giving the Rebels 43 free tries at the basket. And they capitalized on the fouls, scoring 15 times out of the 43 shots for a 34.7 per cent average.

But last Thursday night in the quarterfinal game of the tournament it was the Tigeretts who had to live. They closed the Long Beach Rebels out of the park with a crushing 56-19 score with Tigeretts coach W.
